Can not stop missing you mom you were always the life of the party the heart of this family you are so so harshly missed 😞😞 your story will go on always look after us along with your mom and dad we love you and miss you so much save a spot for me in heaven mommy and promise you will be at the gates ready for me to run into your arms once again. I thank the lord for allowing me to have such a sweet loving mother as you were and always will be you are my motivation and you left me a fortune that all the money in the world can't buy and that is a loving heart I am forever grateful to have called you my mom. 🌻😊
