I dearly loved Judy and miss her terribly. Our friendship came about through Sandy Jackson, who has always been so dear to both Judy and me. Judy was terrifically loyal to her friends and loved ones and was always ready to help you out.

That posted before I'd finished. Judy was a fun, loving, joyful person and one couldn't help but love her. I'm so thankful that she was in my life.

Mary Margaret and Melissa you probably don't remember me but I used to work at the Chamber of Commerce Office in the Hotel Building. I remember all of you coming to visit Pat. You're Mom was so much fun to be around and I always admired the closeness she and Pat shared just like sisters. I know all the Jacksons and Pat are going to miss her so much. Pat told me about her recent visits and how hard it was on all of you to watch this precious woman go through such agony and pain. Now she is at peace awaiting all of you one day to join her in Paradise. May God be with all of you.

I will really miss Judy because she was a good cousin and friend to me as all her sisters were as well!. I am so sorry that I wasn't able to be there for you all during this difficult time; Judy and I spent time together growing up and as grown-ups. She came when Daddy (Uncle George) had a heart attack and he was so uplifted by her being there! She was always upbeat and lots of fun! Rae, Donna, and Cynthia, I love and miss all of you. My thoughts, prayers, and love are sent to you because you all were a big part of life growing up! I truly love and miss y'all, but will not be able to make the services. May the LORD bless and keep you all in His loving arms! Margann
