Kim and BK , I'm so sorry about your Mom passing. I wish I could have been at the funeral today. Your Mom was a good person. I did enjoyed spending time with her and family time was good with them . We all will miss her and we do miss your Dad to. " I do remember the time when Jean, Dit , Pam and I went fishing. Pam and I were sitting on a rock out from the shore fishing. Jean and Dit was sitting on the bank fishing. Then we heard a man's voice saying Hello. I turned around and I saw a tall young man . Jean and Dit looked up at him and then looked at each other. The look that they had on their faces almost made me laugh. Though , I didn't laughed at them. The young man announced himself as the " Game Warden ". He ask to see their fishing license. Jean and Dit, didn't have their fishing license at that time. We left shortly after he left. "
