# **Idicheria Chacko**

APR 8, 1946 - JAN 20, 2021

**I**dicheria Chacko, 74, went to be with the Lord on Wednesday, January 20, 2021. He passed peacefully in his home with his family.

Chacko was born on April 08, 1946 to the late I. Idicheria and K.A. Kunjamma, Paramkimamamootil House, Puthur, in Kerala, India. He is the fourth of their seven children. His siblings are Lissy Skariah, Molly Thomas, Ammini Lonappan, Idicheria Abraham, Idicheria Mathew and the late C. George. He studied electrical engineering and graduated from NSS Polytechnic College in Pandalam, Kerala.

He married Saramma Thomas, daughter of the late K.G. Thomas and Mariamma Thomas, Kuzhivelikavunkal, Theodical in Kerala, India, on November 30, 1973. In 1974, he joined his wife in Dallas, Texas where she was working as a nurse. They moved together to Pasadena, Texas later that year. Their son, Alex, was born in October of 1975 and their daughter, Susan, was born in July of 1980.

Chacko started working at Powell Electrical in September of 1974 to his date of death. He was extremely committed to his work, waking up at 3:30 AM daily to begin his day and often working extra hours. In 1989, he was promoted to Leadperson – a role in which he remained until he passed. Although, we discussed retirement often, he wanted to continue working.

Chacko lived for his family and loved them immensely. He was a hands-on father and treasured time with his family. He was blessed to see both of his children married and then enter into one of the best stages in his life, being an Appachen (grandfather). He adored his grandchildren and could not wait until the next time he would see them.

Chacko enjoyed taking care of their garden and krishi (plants), working hard for his church and selflessly helping others as much as he could. He had a great talent and appreciation for
