I humbly offer my prayers of support, and deepest sympathies to the Baker Family, and I pray that your joyful memories will provide you each comfort in the days to come. Selfishly I must admit I am going to miss my front yard chatting Friend. It never ceased to amaze me how no matter how infrequent we spoke, or often Glen was always "up to something", going somewhere, or on the move. This is a life lesson learned from Glen, I will carry the rest of my days. Rest in Well now Friend. Blessings and love to the Baker Family. Dameon Randall Dennis

Irene Villarreal lit a candle in honor of Glyndon "Glen".

We are very saddened to hear of Glen's passing. He always held a very special place in the Mancha and Villarreal Families. Mother always remembered Glen with love and admiration. Dad at 90 years old still asked about Glen and spoke with him once or twice last year. We have great memories of Glen from his high school days, to a conversation with him on the phone not so long ago. Glen had an infectious smile, was a great conversationalist and was always willing to help out. He opened up his arms to us, like family. At the home in Manvel, he made us feel welcome, sharing some fun times at the swimming pool. At the University of Houston Clear Lake, there were some rip roaring times. Always reliable, we were never late for class or lunch! He was always there to lift the spirits and provide a kind word, particularly during final's. Our trip to Mexico was memorable for all three of us, LeRoy, Glen and myself. It was a fun and happy time, he enjoyed every minute of it, especially the Margaritas and food! We were privileged and honored to have his friendship for many years. We will cherish these memories forever. REST IN PEACE DEAR FRIEND.....Love, The Villarreal's Irene & LeRoy

I was lucky enough to know Glyndon because I grew up best friends with his sister Karen. Some of my best memories were spent with The Bakers and many of them included Glyndon. I loved all the projects he always had going on even though Karen and I never took too much of an interest in them. I'm not sure he enjoyed driving us to the lake house in Somerville, but I sure enjoyed riding in his pimped-out van. Once we got to the lake house, we always ended up on the pontoon boat. Oh, how I loved cruising on that boat. I know that Glyndon loved driving that boat. Glyndon was an amazing person who did not let anything hold him back. I know he is in a better place and has no more suffering. Prayers for peace and comfort for the family. I love you.

Glen Baker was a man I will never forget. When we met over 30 years ago, he was handsome and unassuming - and he stayed that way. He had a wicked sense of humor and a smile that started slow and then broke big. I loved to hear his laugh. He was interested in science which we shared, and for a while we both worked for the same institution in the Texas Medical Center. Glen cared about so many people, especially his mother whom he spoke of with love and admiration. I loved Glen, and my world is sadder and smaller without him. Rebecca Clearman MD
