The last time I saw uncle Jesse he asked me to walk outside with him so he could show me some baby sheep that had been born a couple weeks before. I can't describe the feeling I had when I seen them they were soon precious . I had never experienced that . Uncle Jesse had a great big smile and I could feel how proud he was of those precious miracles of life. That's how I will always remember him. Soo sorry for your loss Aunt Marion

Jesse Briones is one of my favorite persons. An energetic, intelligent person. We won an important jury trial together because of Jesse. I am heartbroken to hear of his passing. I want to attend the viewing but afraid to because of the Covid virus. My thoughts and prayers are with Marian and the family,

Jesse touched the lives of many people and will be missed greatly. Jesse and Marian have always been an extension of our parents to the Arroyos boys. Jesse was always there for all our important life events, both good and bad. The Briones family has been a true blessing to our family. There was always a sparkle in his eye when he saw you. I will genuinely miss his down-to-earth spirit and the knowledge of knowing his support will not be there any longer. I want to thank you for all the good memories you have given me. You were a great man, and your memory will carry on. Rest In Peace, Jesse.
