## **Jo Reed**

JAN 14, 1933 - FEB 18, 2021

**J**o Reed lived a life filled with faith in God and devotion to her family. She was born into a large family on a farm in Eddy, Texas with 7 sisters and 1 brother. She was married on February 24, 1950 at the age of 17 to Glenn R Reed of Houston. They were married for 66 years until she was widowed on February 29, 2016. They had 3 children, 8 grandchildren and 6 great grandchildren. Christ called Jo to her heavenly home on Feb 18, 2021 at the age of 88 years, 1 month and 3 days.

Jo always dressed impeccably. She learned to sew when she was young so she could make clothes for herself and family. She became an accomplished seamstress. She liked to whistle around the house when she was happy. With her natural born kind nature, she had the special ability to comfort and take care of others. Even when her health was failing, her primary concern was for her children.

Her example as a loving wife and mother is an inspiration to all who knew her. Words cannot express how much she was loved or how much she will be missed here on earth, but we know she is in the presence of our Lord and Savior, Jesus Christ.

Funeral services will be held Thursday, 2/25/21, in the chapel at the the Southpark Funeral Home located at 1310 North Main (highway 35) in Pearland, Tx. Jo will be laid to rest immediately following the service.

My family and I have had the extreme pleasure of knowing Jo in her capacity as Elder's wife of the Clay Road Church of Christ. The congregation relocated to Langham Creek and I moved away. Upon my return to Houston, I was in great need of spiritual guidance, which Glenn & Jo Reed willingly offered. When one finds herself in dire straits, those who are adept at providing solace to the soul hold a special place in the heart. I will be forever grateful to Glenn & Jo! As life continued, Glenn's health took a toll. Jo cared for him until it became a physical impossibility and she had to make the tough choice of putting him into a full-care facility. The love of her life was now separated from her. Dutifully she labored onward. Both of Jo's remaining 2 sisters fell ill to dementia. Jo took the matter in hand and placed them in the same facility. Being a friend to her baby sister, I asked to accompany her on visits to her family. This was a miracle to behold. She went from person to person, sharing love, care and laughter, in an otherwise grim situation. What a powerhouse! What a gentle soul this woman possessed! Time passed and with it, the loss of her beloved Glenn. This man was unique in his immense understanding of biblical content and history. I found his ability to teach, rather remarkable. Jo considered him her strength. Jo's loss did not deflect her loyalty from the duty of regular pilgrimages to the retirement facility. Jo's own health issues now required consideration. Her older sister passed. Still, health issues failed to deter her from her loyalty to her baby sister, Betty. Make no mistake, I have wonderful sisters of my own, but I always kidded Jo that I wanted her to adopt me as a sister. This woman was a true treasure of what love can accomplish...love unfeigned. Glenn Reed was truly blessed to have found this little girl with whom to walk through life. God blessed each of us to have known this little gal with a big heart! Isn't this the way each of us would like to be remembered? Jo we will miss you! -Jackie Barnhart & Family-
