Houston, Was my pleasure knowing you. I still remember the first time I met you. Questioning who I am what I am doing and Why I am where I was. You were just trying to see why I was at your neighbors house not knowing I was your new Neighbor. Going to miss your everyday comments on my trash and lawn. Only got to know you for 9 years wish we had more time my friend. Rest in Peace.

Houston - where do I begin. We met back in the late 80's when I moved into an all adult apartment complex, Suncreek. You were always at the pool, and the life of the party! We remained friends over the past 35 years. I will always remember sharing part of my life with you and the fun, crazy times we had. RIP and ride on!Becky B.
