Roy Monroe Coleman Jr.

APR 23, 1953 - APR 23, 2021

On April 23, 2021, our Lord, Jesus Christ called home Roy Monroe Coleman Jr. He is survived by his wife Lisa Charolette Utley Coleman, his daughter Shereé Jenae Gomez, his five grandchildren, Alexis, Jenae, Kalie, David, and Diana Gomez, his sister Sharon McCoy and her son Roger, his Father-in-law Leo Allen Utley, brothers-in-laws Brad and his wife Jackie Utley, and Bart and his wife Cindy Utley. He is also survived by his Aunt Doris Billings and Cousins Jan Cobb and husband Gary, Gayle Romans and husband Wendell, and Carol Thiele and husband William. He also leaves behind his friend Sarah Brock and her two sons, Kaleb and Alexander. He had a special bond with them and wished that he could have done more for them. He leaves behind many friends that he loved. There was this little girl at his church (sorry I don't know her name) who he just fell in love with as well.

Roy loved the Lord and spoke with everyone about Him. He was always helping everyone he met. He always worked hard at everything he did. He volunteered at his church doing whatever needed to be done. He loved animals and volunteered as well as worked at Habitat for Horses. He loved the Battleship Texas and volunteered there. He loved photography and was always taking pictures of everything and I mean everything.

For many years, Roy both volunteered and worked for Habitat for Horses. He was loved by every member of the staff, and he truly loved the animals. He saw them arrive neglected and abused and became their angel as they recovered. He was a joy to be around, always ready to bring a smile to anyone. He was, and is, loved.

Roy and I spent a lot of time together some from the 70's till 2000. I loved Roy as a brother and I will miss him greatly. Of all the jobs that he and I worked together, one stands out, and must be remembered here. We had a mutual friend (Ken Cox) who acquired stomach cancer. Roy drove him from League City to Houston and back twice a day for the four months that Ken could work, (just so Ken would have something to do). Roy never complained one time, he was a great Christian influence on me. How great a testimony, to give someone of your (time) the only thing we don't have plenty of. Thank you Roy, and rest in the Lord. Jim Williams

Roy was one of my piano students. He was a delightful man, always smiling and brightened up the day when he came in the door. Roy found joy in playing the piano. He loved music and he loved the Lord. He will certainly be missed.
