I am deeply sorry for the loss of your precious Mother, Norma. She was extra-special to my family. When my parents and Jack and Norma were alive and well, they had the best time going out to eat dinner and drink coffee. Norma was always around when we had something special to share in her special way. Hatfield Road will not be the same without her. I don't know who of you are aware of this, but Momma Norma came and picked me and my bike up when I was 15 after I got booted out. She was so kind. Told me I could stay as long as I needed. Then she called my Mom to tell her where I was at and not to worry. Love you Momma Norma.
