Delores I was stun of the sad news I know you and I had not seen each other in many years but you truly were never forgotten I had many flash backs when Mom (Isabell Fernandez) and I would go visit , you and your Momma. We would play with a small piano you had and a harmonica while our Mom's pick Okra. I always look forward to going because Aunt Amelia would lets us pick figs. Oh, how often I thought of those days.You will truly be missed. Beautiful family you have may you RIP!Love Patsy Fernandez Saenz

I am broken-hearted my dear friend. You were an amazing friend, I reminisce of our days from 20 years ago. I remember whenever I would visit you at your job " Foleys / Macy's " I would call you and ask what department are you working today so I would see your smiling face. Your smile and sweet conversation will be missed. I know we will see each other again, but for now please watch over us! I am sure you look amazing wearing your angel wings because you a true "Angel". Love you my friend! 🌹❤️🙏
