# Travis Thomas Armintor

MAR 5, 1962 - SEP 3, 2021

It is with great sadness that the family of Travis Thomas Armintor announces his passing after a long battle with his health, on Friday, September 3, 2021, at the age of 59 years. Travis will be lovingly remembered by his daughter, Sofia Armintor, step-son Christopher Williamson, former-wife, Isolde Williamson, twin grandbabies, Ellianna & Erianna, and Mother, Barbara Armintor. Travis will also be fondly remembered by his five siblings and their spouses: Allen & Ann Armintor, Mark & Justi Armintor, Ramona & Ragan Benson, Rosie & Steven Rucker, and Ralph & Lisa Armintor. He loved them dearly, as well as all of his nieces and nephews. Travis was predeceased by his brothers, Frank Armintor, Lloyd Armintor, Matthew Armintor and father Ralph D. Armintor. Travis lived a adventurous life; moving to California as a young man, travelling the world to places like Norway and Rio De Janeiro with his company where he worked in the oil and gas field as a salesman. He also raised a daughter while attending, and eventually graduating from LeTourneau University, with a bachelors degree. He never went anywhere in life without his guitar and passion for music, as he loved to sing. Travis joined multiple song writing groups across the city of Houston over the course of his life, and wrote his own music as well. The family will have a private service, followed by a Celebration of Travis's Life. In lieu of flowers, please consider making a donation in memory of Travis to the National Alliance on Mental Illness- Greater Houston, or to your favorite charity.

Travis, I'm so lost right now without you. You were my world and my everything. I love you so much. You will always be in my heart & soul. I really never knew what love was until I meet you 18 yrs ago on Aug 15, 2003 @ YMCA. Every time I hear Daniel & Rock-man it will put a big smile on my face. You always singed those 2 songs for me. I know you'll always be my guardian angel until we see each other again on the other side. Fly high sweetheart with you amazing & beautiful wings. R.I.P. Honey. Kiss Kiss 🥰🥰🥰🥰

We graduated together and I did have the opportunity to see Travis several times through the years. He was all heart. Some of the things he did in high school are now a part of school legends. I'm sure many will agree Travis will always be remembered most for his kindness. Many prayers and hugs to the family - I know Travis will be greatly missed especially during your family guitar sessions. See you on the other side Travis. Keep the guitar tuned!

I remember an Easter morning long ago, Travis and the rest of us kids were exploring the old growth forest that used to be where lake Jackson now is. The mud puddles on the trail were iced over, but the sky was clear and the sun out. We marveled at the ice cracking when stepped on, experimented with breaking and not breaking the ice. We ate the candy, threw the eggs and laughed and ran and played chase. It was a perfect day without a care in the world. That day, the forest and many of the people from that day are gone, yet they live on in my mind. Cousin Alex
