Raymond E. Macklin

AUG 6, 1994 - SEP 17, 2021

Raymond Macklin, 27 passed away September 17, 2021. Raymond was born August 6, 1994 in Nassau Bay, Texas. Raymond had a natural ability to master many challenges just for fun, excitement and to the bewilderment of his family, friends and fans. Most notably Raymond was a great pool player, an amazing salesman, and loved to hunt any chance he got. Quite frankly he was an all-around great athlete – played high school football, baseball and would play volleyball with the family at every opportunity.

He had a love for traveling, from the mountains to the beach, no adventure was out of reach. Judging by the many photos of his travels abroad tell a much happier and exciting story. Though shy at times, Raymond’s experience in high school choir earned him the unmistakable reputation of the deep, sweet, singing cowboy as he serenaded his family and friends in his boots and jeans every time a country song was played.

Ray was a wonderful daddy, son, brother, nephew, grandson, co-worker and most of all, friend. He was a man who never met a stranger. His greatest love was his family, especially his beautiful daughter Raynee and her Mommy, his “old lady” Alyssa. He strived to be a better man each and every day, in every aspect of his all too short life. He always walked around with a smile and was a light in every room he entered. He will be missed by many as he was loved by all.

Teresa lit a candle in honor of Raymond.

The Ultimate Tragedy Let me step into your sorrow and weep with you. I can't think of greater sorrow than that which comes from losing a child, and my heart breaks with you. A life so full and bright has been taken from us way too soon. Saying goodbye is one of the hardest things in our lives and saying goodbye to a child is unspeakable. It is so deeply painful and saddening. Please know that you are not alone. We stand together with you in sadness, and stand together with you in pain. Please know you are loved and supported. You also may feel as though you need to put on a happy face, that you should have it all together, but you do not. Should you need to fall to pieces, I am here to sweep them up. If you need to scream into the wind to lessen the pain inside you, I will hold your hand in support. Please know that we love you, and we are here for you!! am just a phone call away. Teresa, Kevin, Domani & Dwayne Patterson
