Daddy there's not one second of any day that I don't think of you..they say life isn't fair..well this is far from life not being fair. Everyday gets harder and harder and life just sucks without you. I wish I could have you back I miss your smile, jokes, hugs, your unconditional love, I miss my daddy 😊 you are the best dad anyone could ever ask for and I know I'll be with you again one day, until then I pray your with me everyday! It's Christmas time your favorite holiday and it'll never be the same without you, life stopped when God took you from me, I love you so much daddy, I love you to the moon and back 🥰 xoxo your babygirl!
