My God brother....I was very happy you took us to the Galveston's Anna recall who I was trying to take pictures of the dolphins and I thought I was gonna fall over when you pushed me but caught me quick. My brother, as we talked about this day would come. It came to quick. Just being selfish wishing I had more time. Just glad you will no longer be suffering, You will be deeply missed. And you can stop worrying about other people that can take care of themselves. Rest my brother, you can finally be at peace. Love you.

This is not goodbye big brother, this is just see you later until we meet again in heaven. I know you are at peace now and as strong as you've always been. No more diabetes/dialysis, cancer, or pain. Rest now and continue making everyone laugh up there. You know our family is strong and we will continue to stick together through everything that is dealt our way. You will be so missed, but your memory will carry us through. We Love You! Annette, Juan, Mom, Drew, and Breanna
