Wow, I just came across this. Terry and I went to school together. We were very close friends. We were in Ag together. We dated for awhile but we were too much like brother and sister. To this day I still carry in my vehicle a Bible that Terry's mom gave me. I am so sorry I didn't know before.

Uncle Terry was so much fun to be around. You were always laughing and smiling when Terry was around. Always had so much fun when we went to Texas. Wish I could have made it more often. We never did get to go to Vegas with Terry and family. We love you guys and are just heartbroken by this. Love, Jen, Jonathan, Baylie, & Mason Young
