Jason my nephew you will always be remembered by the smile and hugz you give! That is how you treated me every time we met. Being on the road and I would stop in at your Mom and Dads for a quick hello and if you were there you would give me that hug with a smile. You will really be missed. I know you have special people in heaven that will meet you. And most of allGOD will wrap his arms around you and take away all your pains and worry. I love you you will never be forgotten andNO GOOD BYES! LOVE YOU AUNT CAROL

Jason had an infectious laugh and a smile that would light up the room. I have many memories of this wonderful guy. One of them is when he gave me my Nick name: "Lynerd Skinerd". It is still such a term of endearment to me. He will always be in our hearts. He is our family-forever, and he will never be forgotten. Praying continuously for Big Rodger, Wanda, Lil Rodg, Austin, grandkiddos, as well as the entire Family. I am so very sorry for your loss. God Bless you all. Love and Big hugs. XOXO
