A very good friend of ours and a wonderful person will be sadly missed. May the almighty God divinely comfort you all. Praise God for the distinct privilege you all had to care for her. With all your might you did everything humanly possible to make her life easy. The Lord was merciful to allow her to pass peacefully surrounded by the loved ones. Let us look forward for the golden resurrection morning when the death shall be swallowed up in victory. Benny & Moni.

Condolences dear Lenetta and family. May God comfort you with his peace and strength. Aunty was a good example of endurance and cheerfully endured the struggles of life. Hope in Christ led her to endure gracefully. As a family all of you took good care of her and God grant you his peace and strength to lead each day in her painful absence. To part with loved ones is painful and leaves an irreplaceable emptiness in our hearts and days, but hope in Christ will help us carry forward till we meet them on that beautiful shore.
