My dear Holly . Jolly Holly that is. I will miss you so much and all the good times. You falling off the hay wagon in the snow when we all went snow skiing, us trying to teach you how to swim only to find out you sink and we had to rescue you and oh so many more. We will truly miss you and God could not have chosen a more perfect angel to look over us all. Love forever till we meet again. Prayers for everyone. Lyn and Sonny Atkins

I remember the funny story about the guy that loved peanut butter so much that he wanted to be buried in a big peanut butter jar. You called to tell me the jar was on your desk. Lol. I always thought you were so funny and beautiful and I admired your outgoing personality because I was so shy. I wanted to be brave like you. RIP my friend. Sherrie Barker-Cole

Aunt Holly, she was the greatest aunt that a niece could ask for. I have so many memories that it's hard to share them all. She always made time for the nieces and nephews. We used to go crabbing, trips to Colorado, amusement parks and so much more. I'm gonna miss her contagious smile and her smart remarks that she used to make. I was able to see her a few weeks ago and I'm not sure if she knew who I was, but as I was sitting there at the lunch table with her I pulled down my mask and said, "Aunt Holly, it's Tammy, your niece. I just want you to know I love you and her reply was, "you better". I got that last little bit of love that I needed from her with a little bit of her being silly. I will forever cherish all her love and memories that we had together. Until we meet again. Love you always and forever. You're favorite niece, Tammy 😊
