Iain Macarthur MacLean

FEB 12, 1966 - APR 3, 2022

Iain Macarthur Maclean, 56 years of age passed into eternity on Sunday April 3, 2022.

Iain was born on February 12, 1966, to Callum and Catherine (Macarthur) Maclean in Stornoway, Isle of Lewis, Scotland. He was born into a family that adored him from the moment he was born. Parents were thrilled to welcome, with much pride and joy, their beautiful baby boy who grew into a vibrant, hardworking man. Iain was the oldest of their two children.

Growing up Iain enjoyed an active life in Stornoway. He was a member of the Boy Scouts and the Air Training Corps, as well as being attendant at many sports clubs, including swimming, golf, and rugby. He was also very musical playing both the accordion and the bagpipes and singing psalmody at his local church

Iain's aptitude for all things mechanical led him to train as a mechanical and production engineer and eventually led him to the United States of America to pursue a career in the repair and maintenance of gas turbine engines. Iain was well known and widely respected in his professional life.

Iain met the love of his life Denise. They were married on October 11, 2002, in Simpsonville, SC where they lived for many years until relocating to Pearland, TX.

Iain is survived by his loving wife Denise Maclean of Pearland, TX, his parents Callum and Catherine Maclean of Scotland, his sister Kirsteen J. Maclean also of Scotland, and numerous friends who he called family.

Iain will remain in our hearts forever. We loved him completely, and shall miss his love, smile, sense of humor and enthusiasm for life.

I met Iain approximately 20 years ago through business. We had a lot of arguments over that period of time but he was always willing to listen. Most people would never have the pleasure of meeting a person like Iain, he was one of a kind. I will tell a short story about Iain. He was at the shop and I took him to the house for dinner and on the way I acted like I was going to pull into a driveway with a huge home and a lot of acreage and the first thing he said was, I AM PAYING YOU WAY TO MUCH. My girls listened to him about Scotland like he was a professor. He always spoke about Denise and Scotland. Sorry we did not get to play golf in Scotland. I will miss you.
