I was so sorry to hear of Ann's passing, and to have missed her Service. Especially sorry that I could have attended service, but found out about it afterwards (I had been out of town preceding week). I now so wish I had been part of the Goodbye to a special person. I first met Rudy when we were both in high school (me in Dallas, Rudy in Houston, of course; we met at school "stage band" festivals). Thereafter, we encountered each other occasionally through the years, but our connection was really cemented when we both ended-up in Ed Gerlach's band for \*many\* years (after my move to Houston in '76). Of course, if one were a friend of Rudy's, one was also a friend of Ann's, and I saw her often at occasional gigs (when wives would be welcome), band parties, etc. The last time I saw her was when I took her to Gerlach's service in 2019. I checked-up on her a time or 2 afterwards, but am sorry to say did not see her again. If anything is suggested for memorial contributions in Ann's honor, please advise. Love to her family and close friends at this time. R. I. P., Ann...Bob Morgan

Rudy Jay (RAMBAL), Big Rudy, and Ann. We loved them so much. They were fun to be around, gave smiles to all, and it was a pleasure to be a small part of their lives. Rest in Peace, Ann, enjoy Heaven and say hello to Big Rudy and Rudy J!

I was deeply saddened to learn about Ann's passing. We attended and graduated from La Porte High School in 1960. Ann and i were both in the band and on the basketball team. I was the basketball manager and Ann was a wonderful basketball player. Ann was a very special person.
