David Gregory Fake

AUG 11, 1954 - AUG 28, 2022

David Gregory Fake passed away on August 28th, 2022 at the age of 68.

He was born in Burnet, Texas on August 11th, 1954 to Rev. Charles and Wanda (Sadler) Fake, growing up in various places around Texas before moving to Rockport, Texas in 1964. He married Janet (Albers) Fake in 1979; they raised their three children and many cats in Pearland, Texas.

David was an avid musician. He had a wonderful singing voice, played trombone in high school and college, and had a lifelong love of guitars. He loved to play, collect, and listen to guitars, and instilled a great love of musicianship in his children and others. David was also skilled as a handyman, learning to fix almost everything in the home and on cars.

David Fake was a graduate of Rockport Fulton High School as valedictorian, Del Mar College, Baylor University (chemistry) and Texas A&I University (electrical engineering). He worked as an engineer, primarily in the oil and gas industry, for 30 years.

David was preceded in death by his wife Janet Fake, mother Wanda Fake, sister Debbie Hamm, and parents-in-law Butch and Alta Albers. He is survived by his father Rev. Charles Fake, children Michael Fake, Melinda (John) Hodges, and Jennifer (Stephen) Haden, granddaughter Claire Haden, sister Dianna (Mark) Hinze, brothers Daniel and Dwight Fake, and beloved friends and family members.

A memorial service will be held on Saturday, October 8th at 1:00 pm at 105 N. Austin Street in Rockport, TX. In lieu of flowers, the family asks for donations to be made to the Save the Music Foundation at www.savethemusic.org.

Debbie Martin posted:

I went to high school with David and Janet. They were two of a very few students who were not using drugs . They were both wonderful musicians in band and also very good students . I respected them both so much. David and I vied for the valedictory, but he won because he really was smarter. David and I talked a bit by text in the last few months, and it was so good to hear about him and Janet and their kids. I was able to talk to him through Kaye Lauer when he was in the hospital. I'm so sorry to hear of his passing .

Saying I will miss him is not enough. Not many left of us to say goodbye. Not many left to say "I loved you!" Not many to remember the holidays at the "bottom." Not many to remember summers spent in our grandparent's lives. Can't wait to laugh and go fishing again with him, like kids, on the "other side." Even if we never catch one fish, it will be wonderful. David, I will miss you terribly until that day comes... Vickie

Phu Dang sent a virtual gift in honor of David.

David and I were working together at Shell Oil Company for many years. We spent a lot of time on the road working on various projects for Shell. I had many fond memories of David. David had a great sense of humor and enjoyed traveling. David enjoyed outdoor. I remember on one of our trips to Alaska, David and I went fishing in Russian River and within a few minutes after we started, David caught a huge king salmon. I had never seen David was that happy before. I will miss you David. Rest In Peace and I love you. Phu Dang
