I am so sorry that I missed this until now in 2025. I would have been there for his services. Gary was a great guy. However I do remember how in first grade he chased me around all the time trying to kiss me.

Gary L. Hall--- such a fun & fine mannered gentleman, a true Prince. Quick to help/rescue, anyone in need & his love for Susan & his family was always forefront in our communication. ❤️.I fondly remember his teaching my sisters & I, to 2-step & waltz, at the Pearland VFW. I spent many wonderful Christmas holidays (& other occasions) with the Hall family & I treasure those sweet memories. Travel on in Peace & Power, Big Guy. Much Love.

I lived across the street from Mr. Gary my whole life until I moved out after high school. He was always there ready and willing to help out whenever things got a little crazy. One night my sister and I were home alone and decided to order pizza. For some reason we went out front and locked the door behind us. As we were freaking out trying to get back inside the pizza man shows up. We were panicking and didn't know what to do so we ran across the street and asked Mr. Gary for help. Of course he came right out and paid for our pizza and broke a window in our front room so we could unlock it and climb inside. He then patched it up so no one could tell it was broken. This is just one of the many, many times he had to come to our rescue over the years. I cannot tell you the number of times he had to get into one of our cars because we locked the keys inside. He was a wonderful friend and neighbor. I will miss him dearly. Love you so much Mr. StrangerMarissa
