Trina Beck - Granddaughter shared a photo to the **Tribute Wall** album.

Grandpa you will be so missed by so many and always loved. I remember when I was 11, how you were there in my time of grief, and brought our family back together. Even though the time was short lived in visits, you were always on my mind. We were so blessed to see you again, thanks to our family being brought back together by God and our inherited love for family. You have left us all with the great inheritance of LOVE. We Are Blessed To Have You As Our Grandpa. I can picture your beautiful smile and the joy on your face as you entered Heavens Gates. We Will See You Again, No doubt. We Love You Through Eternity.
