Robert William Delehanty

MAY 7, 1987 - MAY 11, 2023

Robert W. Delehanty of The Woodlands, Texas passed away on May 11, 2023. Robert suffered from depression and PTSD. Rob was born in Lake Forest, Illinois on May 7, 1987 to Sueann and Peter Delehanty.

Robert was a loving and caring son that came home to care for his mother during her battle with lung disease. He had a passion for sports and excelled at hockey. Robert attended preparatory schools in New England where he studied the arts and sciences. He enrolled in Ohio State University.

With a creative mind and unique view of the world, Robert used his etchings and pencil drawings to share his vision of beauty and fantasy with the world. Rob filled the walls with beautiful pictures to try and make his world a more peaceful place.

Robert was a kind and gentle soul underneath a gruff exterior that would stand up against injustice or brutality wherever he saw it. Robert loved his dogs and supported the SPCA. Robert touched many lives with his kindness and humor. He will be greatly missed.

Robert is survived by his father, his sister Erin Ashley Morrow , his grandmother Madeline Hetrick-Petersen and many nieces, nephews and friends.

Robert will be laid to rest in a service in Milwaukee, Wisconsin.

Please honor Robert with a donation to SPCA.

It has been a year since you left, I can still hear your voice, I still look in your door when I pass, and I miss your smile. I pray you and Sue have found each other in heaven.Dad

I'm so very sorry for your loss. I share that same prayer for him and his mom too. Your family are in my prayers often

I met Rob when he lived in Columbus. He was such a fun and caring person. He was always up for a good conversation no matter the time of day. He loved his dog more than life! She was always top priority. When his mom was sick he was right there by her side. Rob was the kind of son anybody wishes their kid would grow up to be. That smile is one I'm going to miss. Fly high friend.
