You have no idea how much you have impacted my life, from childhood into adulthood I couldn't have asked for a better Mom. I already miss you so much! I am so thankful Maddy And Jayden got to have you as their grandma even if time was cut short we will Always cherish every single moment you have been there for us. Feels like we were cheated out of having more time with you in our lives but it brings me peace to know you are no longer in pain and I know you will always be looking down guiding us and watching over us. We love you so much and nothing will ever change that I hope you know how much you meant to me and your grandkids! Glo You will forever be in our hearts We love and miss you so much. I'm glad we have so many great memories that will never fade away. Forever & Always Jessica, Jayden and Madysen.

Our dear cousin, Gloretha. We had so much fun spending time with you in Linden. Walking down the dirt road to your house, walking in the woods, swinging on that ole rope and never forget the summer get togethers at the community center. You will never be forgotten by us. Memories for life Rest my friend you have made yourself good on earth go be with your Heavenly Father. A job well done. Victoria Calicut
