**Fran Walker** lit a candle in honor of Marilyn.

Marilyn was my best friend for many years. I moved away from Clear Lake I 1998 but we kept in touch for much of those years. We still sent Christmas cards and caught up with our lives and our families. I didn't hear back this year and decided to find out about her. Marilyn and I shared many things. We were like sisters. We laughed a lot, traveled, and of course danced all over Texas. She was a very special kindred spirit. I will miss her but I know we'll see each other again. I know her family miss her dearly. And so will I.
