# **N Rao Thammavaram**

JUN 5, 1933 - FEB 14, 2024

**P**rofessor N. Rao Thammavaram, a distinguished educator, devoted husband, loving father, and accomplished author, passed away on February 14, 2024, at his residence in Missouri City, Texas. He was 90 years old.

Born on June 5, 1933, in India, Professor Thammavaram's life was a testament to resilience, intellectual curiosity, and cultural bridging. His journey began in India, where he pursued his passion for education.

Seeking greater opportunities, Professor Thammavaram immigrated to the United States, where he continued his career.

Professor Thammavaram's literary pursuits were impressive. His autobiography, provided a candid glimpse into his life, dreams, and challenges. Through his words, readers discovered a man who defied boundaries, embraced opportunity, and epitomized the American spirit.

Professor N. Rao Thammavaram's legacy will continue to inspire generations, bridging cultures, and nurturing minds. He leaves behind a loving family, including his wife, children, and cherished nieces and nephews. May his memory be a beacon of light for all who knew him.

Dear TR - I feel honored that my path crossed yours. I loved your hearty laugh, the loud and unfiltered laugh, as also your contagious optimism. There are a few things I heard from you almost three decades ago but am just understanding their importance such as taking unbridled pride in your heritage and roots. Bhagwaan aapki aatma ko shanti day. Om Shanti, Shanti, Shanti.
