Patricia, the love of his life, on December 31, 1965. After moving to Baton Rouge, LA, Randall began working for Gulf as a Terminal Manager.

His children remember him as a kind, patient and loving father who taught them the value of hardwork and being kind to others.

Randall was a fan of the Houston Astros, Houston Rockets, LSU football and NASCAR. Randall loved

Southern Gospel music and often made it out to see a concert. He loved working in his small

garden growing fresh vegetables. For the last 13+ years, Randall worked for O'Reilly Auto Parts

where he earned Counterperson of the Year in 2022. He exclusively drank Community Coffee and

would regularly visit his sister, Sue, for a cup and a chat.. Randall was an avid fan of Homemade

Vanilla Blue Bell Ice Cream and was always happy to share a scoop. He enjoyed spending time with

his family, telling stories and making them laugh. He often would visit back home to Leesville, LA

where he would come back with bushels of purple-hull peas. Because of his Louisiana roots, he

loved seafood, especially fried catfish, where he was a regular at Sudies in Pasadena, TX.

Randall was a true gem of a human being that was loved by many. He will truly be missed.
