Mr. Cheeks was an incredible person. He was very kind and patient with us while filling in for my instructor in Basic Electricity. He showed us easy ways to solve problems, and I even had the opportunity to use him as my examiner for my A&P oral test. After the exam, we talked about his plans to attend an airshow in Florida. I remember him saying he wasn't sure whether to fly his plane there or take his motorcycle. He was a source of motivation for me and truly an amazing soul. Rest in peace, Mr. Cheeks.
