I will always remember what a wonderful and kind woman Ann was. I knew her and her family from many years ago living in Pasadena on Parry Sound. Her daughter Sissy and I were very close friends growing up until her passing. After years of raising my own family and living in Katy, I moved back to the area in 2017 and reconnected with Ann and Jim. I enjoyed her sweet messages from time to time and it was comforting to know the family was doing well after losing Sissy so many years ago. It also gave me comfort to reconnect. I will cherish the messages over the past years with Ann. Jim, your family has always been close to my heart. I know the girls are enjoying much needed catch up time in Heaven. I will be praying for peace and comfort for you, Gary and Brandi.
