Sincere condolences to the family. I am so very sorry for your loss. May God provide the necessary peace and comfort to your family and friends during this difficult time. Please remember these words of encouragement from the Bible: "Jesus plainly told her: I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life." —John 11:20-25.

Our deepest condolences to the family. May God wrap his arms around all of you as your dear Mother would have. Gramma Rosie was a beautiful soul, she had this glow about her that was so contagious and made you want to be around her. She treated everyone with love and respect. We will all miss her. May she reign in the Kingdom of Heaven with her loved ones as she did here with her family. The Mottu Family 🙏

My condolences to the family. Mommy was and will always be a great inspiration to us all. She had more love in her heart than the world itself. Mommy's arms and ears were always open for a hug or just a good conversation. She was always positive with a smile and she will be missed.
