Nova May Baker

FEB 18, 2015 - JUL 30, 2024

Nova May Baker was born in Houston, TX on February 18, 2015. She won her battle with brain cancer on July 30, 2024, when Jesus made her whole again. The love of her family surrounded her, and she was at her favorite place to be, home, when she took flight.

Nova is survived by her parents, Bobbie and Justin Baker; her sister, Kyla; her brothers, Chris, Jonathan, Bailey, Chase, and Colin; and grandparents, aunts, uncles, and cousins who love her dearly. Nova is also known as Love Bug, Snuggle Bug, "Super Nova," "Nova May May," and "Tootsie," a name Aunt She She gave her when she was born.

Nova loved music, dancing, singing, art, animals, making Snapchat videos, and playing games. She had a big personality, mostly bubbly, a prankster, curious, kind, compassionate, and bold. She enjoyed sharing random facts about animals, playing freeze dance, monarch butterflies, face painting, and shell-finding at the beach. Nova was passionate about raising awareness and funds for childhood cancer.

Her wish was for cancer not to exist and for there to be a cure for all diseases for everyone. Her family is committed to continuing to raise awareness and funds for childhood cancer in honor of Nova's wish for a cure. "Nova's Treasures" has collected gifts for children staying at Texas Children's Hospital during the holidays for four years. The family will continue this tradition in honor of Nova's big heart. Nova made a positive impact on people from all over the world. She made this world a better place. We will forever miss our little big star, Super Nova May. In lieu of flowers, the family kindly requests you to scan the QR code which will be located on the tribute wall, and donate to the Sunshine Kids Foundation. This foundation, with its mission of bringing joy to kids battling cancer, has gifted Nova with countless magical memories and smiles for which we will forever be grateful.

My deepest condolences to Nova's family. I got to know Nova through her poems and stories at Texas Children's Hospital. She was a gifted storyteller who could recall details that made her stories entertaining, with a sense of humor and strong voice all her own. It was a pleasure to sit and write with her, as I learned about Nova's unique view of the world. She was a spirited little girl, so full of love and compassion. Please know I am holding you in my heart in your time of grief.

I took care of Nova as one of her infusion nurses and I would just like to share what an impact she made on me and what a joy you all are as a family. I recall coming home the first time I took care of her and telling my girls "I met the most special little girl today with the biggest personality you've ever seen!". I remember her detailing her upcoming Halloween costume with so much excitement that it brightened my entire day. You are an incredible family, and so kind even during hard days. Nova is a unit celebrity and everyone who met her loved her. Your family is in my thoughts and prayers, she is a special soul and is greatly missed at TCH.

So many memories I have prior to and after her diagnosis. Nova always wanted to go for walks. 1 walk she was giving directions and we got lost and I showed Nova how to drink out of a neighbors water hose, another walk ended in us coming back with "Treasures" from a neighbors curb. She would always say "it was her idea mommy". Gonna miss my adventures with Nova

Nova May May was such a sweetheart. I was her toddler teacher at day care. She had such a glow about her and such a delightful child to have in my class. I would always fix her hair and she would be so excited for me to put it up .When we had snocones and ice cream in the summer Nova would be so excited. Definitely one of a kind little girl. Nova would brighten your day.

He that exercises faith in me, even though he dies, will come to life." — John 11:20-25.
