My family didn't know Ms Marylin long, but we became acquainted when she came to share rooms with our Grandmother Mary in Focused Care. Ms Marilyn and my Grandmother became very close and would look out for one another. This brought some relief to me and my family because we knew they had one another. We are all sad to see Ms Marilyn go, but know she is in a better place. She will be greatly missed.

My heart is broken. Only illness could keep us apart. We were inseparable since 1985. Our last time together was November 2022 when I left Texas. We shared almost everything. Our families were so close. You are now an Angel. Love, Emily
