# **Betty Sanford Parker**

AUG 28, 1940 - MAR 19, 2025

**I**t is with heartfelt sympathy that goes out to Sarita Parker in the loss of her mother, Betty Parker.

Betty was a woman of many talents and she loved to play cards. She loved to cook and was outstanding at cooking many dishes from scratch.

Betty was known for her mouth watering cornbread dressing that would have everyone asking for their own personal pan.

She always had a listening ear and gave words of wisdom and encouragement.

She was also famous for her big hugs, if you ever received one from her it would leave a lifetime impact you would never ever forget.

She was one of a kind who will be deeply missed but cherished always!
