There are so many!! Leroy had a wonderful personality and sense of humor. All my memories of him are joyful, he was always smiling and always ready to help, when you worked with Leroy you were guaranteed to have fun. He helped me by calling bingo at our church festival for many years and always brought his bright happy style with him. As a brother and sir knight he was always there working hard never complaining. Leroy was easy to love, I can still hear his laughter. Leroy will be greatly missed because he was a great guy. We will all never forget him, every story about Leroy is full of smiles and laughter. Leroy was a great man of faith, he is one more reason to look forward to heaven. We'll see you on the other side. God speed and God bless.
