Juanita Hernandez

April 22, 1950 – July 12, 2025

It is with deep love and sorrow that we announce the passing of Juanita Hernandez, a devoted mother, grandmother, sister, and friend, who peacefully entered eternal rest on July 12, 2025, at the age of 75.

Born on April 22, 1950, to the late Marcus and Eva DeLeon, Juanita lived a life full of grace, strength, and unwavering love for her family. She was the steady heart of her home—nurturing, kind, and always present with a warm smile and a generous spirit.

Juanita was the proud and loving mother of Mary Soria, Lisa Soria, Juan Soria Jr., and Sonia Soria. Her children were the light of her life, and she poured her heart into raising them with care, faith, and compassion. Her legacy continues through them and through her treasured grandchildren, who brought her endless joy and fulfillment.

She is also survived by her siblings: Estella Lopez, Esther DeLeon, Norma DeLeon, Levira Rocha, Rosanne DeLeon, Mary Lou DeLeon, Desidario DeLeon, and Juan DeLeon, all of whom will carry her memory with love and pride.

Juanita will be remembered for her gentle soul, her comforting presence, and the way she made everyone feel like family. Her love lives on in every meal shared, every story told, and every heart she touched.

A viewing will be held on Sunday, July 20, 2025, from 5:00 PM to 8:00 PM at SouthPark Funeral Home, located at 1310 N. Main, Pearland, TX 77581. Funeral services will follow on Monday, July

Grandma came into my life when I was 15. She came into my life at a vulnerable time, I had just lost my great grandmother. She gave me a safe space, she brought me in like her own grandson. Loved me, cared for me, and cherished me. Likewise I felt the same way. She was a warrior and a tough person to break, no matter the circumstance, she always had a smile on her face. No matter what she went through she remained strong. Grandma might not be with us today, but she will forever live in us in many special ways. She was loved by everyone she came across and that speaks volumes to the person she was. We love you grandma. Forever and always. I know you are looking down at us and protecting us, no more suffering, a place where u can rest forever. I love you.

there wasn't a moment where i could say we were inseparable. you not only welcomed my mom into your home but also her baby's and showed us unconditional love. being the first grandchild and having a nana who loved you since the moment u were born is a unconditional blessing. the unforgettable memories we shared , the laughs and your support you showed with me since the beginning. being present any school activity , helping with homework and sending me off to school you played a big part in who i am today. your weren't just a regular grandma but my nana, and that's a title no one will ever forget. & no matter what my mom went through she mom remained strong and faced any life challenges and that's all because of you. thank you for raising all of us nana. i hope you're laughing up there with my dad and yall play a game of bingo ! i love yall with my whole heart.

Granny , thank you for raising me the years that you did, you didn't have to . I can remember as I always made straight A's and always had perfect attendance and you were the lunch lady. We would walk to school, and the years that I was with you, you always made sure Christmas we had full presents under the tree. Your heart was pure gold., the last words you told me where to take care of my boys, which I will always do. I love you, Grandma 🥰 always and forever. May you rest in peace

Oh my nana I don't even know where to start.. I can't express how much love and joyful I had being around you waking up to you everyday spending time with you outside and you waiting for me and my sister to get home from school, playing bingo, watching movies , taking your pelo blanco out , rubbing your feet just to get one dollar everytime ,pray every night with you when we go to sleep and most importantly laughing with you and enjoying your company your the best nana I wouldn't trade you for anything in the world. I appreciate you so much for helping me and my sister when we were little kids you treated us like we were your daughter and I will forever be grateful to you by our side. I love you nana forever and always ❤️❤️❤️
