When we first met in HS we immediately clicked and became the best of friends and grew to be call each other brother and sister. Devin knew my husband before I did. When he found out about us dating he made sure that I knew Donnie was a good man. He was happy to hear that we were getting married. He knew our kids and would ask about them. when my daughter had surgery he sent her , her favorite flowers, sunflowers 🌻. On the card he said from uncle (unkey) Devin lol that made her smile. As time went by we all grew closer. He will forever be my best friend and brother. There will never be one like him.
