Mike was my service advisor and friend for more than 20 years. When he retired I remember telling him that he was my "service husband" because he always made sure that all of my vehicles were properly taken care of. I will miss hearing his voice and hearing him calling me "DJ". Rest easy my friend, I know that you have been healed and you are now safe in the arms of the Lord. You are truly irreplaceable.

Michael is and was and will always be UNCLE MIKE to my daughter Madison. I was blessed to work with Michael for many years at the dealership we worked at and he and his loving wife Brandie are part of my family. When I was seriously ill Michael came to see me. He was always a phone call away for a kind word, a chuckle, some life advice, and always had a smile or a smirk for us. It's hard to put every memory in this small post for such a big man who deserves many more words, who deserved more time. I thank God for his life and his legacy.
