Laura Lee Kazmiroski

JAN 3, 1946 - OCT 18, 2025

Laura Lee Kazmiroski, 79, of Pearland, Texas, passed away peacefully at home surrounded by her loving family. She was born on January 3, 1946, in Pasadena, Texas, to Thomas and Velma Coleman.

Laura was a 1964 graduate of Pasadena High School and went on to earn her Bachelor of Arts from Sam Houston State University in 1968. She later achieved a Master of Science in Mid-Management from the University of Houston–Clear Lake. She married the love of her life, Pete Kazmiroski, and together they built a wonderful life devoted to family and community. Laura worked alongside Pete at Hi-Lo Auto Parts in Pearland before dedicating several years to the Humble and Clear Creek Independent School Districts, where she served as an Adapted Physical Educator, helping children reach their fullest potential.

Laura's life was filled with service, joy, and compassion. She was deeply involved in her children's activities through 4-H, FFA, livestock showing, and rodeoing. Her commitment extended to the Houston Livestock Show and Rodeo, where she volunteered countless hours with the Top Hands Horse Show under the Special Children's Committee, as well as the Corral Club. She also volunteered for the Brazoria County Fair, particularly with the Breeding Chicken Committee and Ag Mechanics. In later years, Laura became an enthusiastic member of the Houston Ballet Guild/Nutcracker Market and devoted her time to the Alvin Youth Rodeo Association, running the concession stand for many years.

Her greatest passion, however, was her involvement with the Special Olympics, where she served as a certified coach in multiple sports. Through this work, she built lasting friendships that became like family. Laura cherished time with her grandchildren—whether attending rodeos, sporting events, or livestock shows. She loved sewing and dog-sitting with her sister Tommie Jean.

She is survived by her children, Shannon Kazmiroski and wife Amanda, John Kazmiroski and wife Denise, and Susan Kazmiroski; her grandchildren Harley, Mason, Maggie, Kiley, and Kandice; her great-grandchild, Nola; and her sister Tommie Jean Coleman.

Our condolences to Laura's family. I believe she was one of Joseph's coaches since 2014. Her friendship with Joseph made such an impact on him and helped grow his confidence in himself. When he would complain about the cold water or being tired, she would distract him and encourage him to finish. Then she'd show him pictures of all her animals. Laura loved our kids like her own and we will miss her dearly. God Bless You All, Prayers and and Love for Peace and Comfort. The Waite - Teresa and son, Joseph.

My condolences to the family. I only knew Laura for a few years, but felt like I have known her my entire life. She was one of nicest people I've ever met. She spoke very highly of her family and helped me learn the ins and outs of the Ballet Guild. May God keep you during this difficult time.

Growing up on Peggy Ln, every neighbor I have had has definitely left a special place in my heart. Laura's love for all animals was always inspiring. Just casually watching her and her pack of dogs made me smile and going up to her fence and in her yard to see the horses will always bring a smile to my face. It never mattered what kind of dog entered her yard either, I think it takes a special kind of person with a big heart for them to always feel like they finally made it home.

Donna Kilgore lit a candle in honor of Laura.

My aunt opened our eyes to the joys of country living. She often took my brother and me to spend time with our cousins, where we learned to ride horses and spent long summer days swimming. She loved sharing that part of her world with us, teaching us "city kids" to slow down, appreciate the outdoors, and enjoy the simple things in life. Those memories remain some of the most cherished from our childhood. Donna Kilgore (Niece)
