The memory i have of my primo was the last time I went down there for soria's birthday. I was staying at his house and we were just hanging out drinking a couple,talking about how cool we were and how much our brother's were losers.lol. We went out later that night and had a blast. On the way back to his place fatboy got the munchies and says hey primo u wanna get some jack in the box. Being from chicago and drunk I said fuk it, as I've never tried b4👉 we get to his place he opens up boxes of "tacos".....WTF! Are those!!! He starts cracking up and says tacos..👉👉👉👉dude those aint tacos..lol. we proceed to eat, have a couple more beers and just shoot the shit. We're in his garage I see his bike and ask if I can ride it. He looks at me and says primo u know how to ride a bike? Umm,no! He looks at me and says DONT TOUCH MY BIKE CUZ.. all I can think of is the scene from step brother's where dale tells Brennan not to touch his drum set.😂😂😂😂still makes me laugh till this day....ALL LOVE PRIMO! R.I.P🙏🙏🙏

Best memory I have of Isaac is him jumping in to being the head of the household, helping, motivating, encouraging, and bearing witness to my friend Mayra's pain after a devastating loss. He never lost hope in seeing her smile and live life again. He had this eagerness to want to live life to the fullest and with love and passion.Thank you for all you did !
