## **James C Peel**

JAN 16, 1963 - NOV 27, 2025

**J**ames Craig Peel, 62, passed away Thursday, November 25th, surrounded by family who loved him deeply. Born on January 16, 1963, in San Antonio, Texas, Craig spent most of his life in Pearland, where he built a life rooted in family, friendship, and the simple joys he cherished.

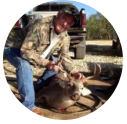

Craig was a loving father, son, brother, and friend. He is survived by his daughter Cassie Yarbrough and her spouse Mike, his mother Sue Peel, his sister Peggy Peel, and his beloved grandchildren Carter Peel, Chloe, Liam, and Brayden Yarbrough. He also leaves behind his niece Kelli Stagner and her husband Steve, and children Olivia Sarmiento and B.J. Sarmiento.

He was preceded in death by his father James “Jim” Peel and his father-in-law Bobby Dewees. He is also preceded in death by his grandparents Roland and Ethel Meyers and J. Carr and Margery Peel.

Craig was known for his loving, fun-spirited personality. He had a gift for making others feel welcome and cared for, and he approached life with humor, kindness, and a big heart. His hobbies reflected who he was—he loved hunting, playing golf, and listening to country music. Most of all, Craig adored his daughter and treasured every moment spent with her.

Throughout his career, Craig worked at Enron and later at PPL Motorhomes, where he built lasting friendships and earned the respect of those he worked with. His life was also enriched by the special bonds he shared with Stephen McFarland, Travis McFarland, and Joshua Broom, who meant so much to him.

Craig will be remembered for his warmth, loyalty, and the love he gave so freely. His spirit lives on in the family and friends who adored him and in the countless memories shared by all who knew him.

Gary Dixon, Alvin Texas Came into work today and for some reason clicked on this Funeral Home. I remember Craig and Peggy from Alvin Jr. High School. He was my friend and always wondered about where they moved to. Now I know, and it has started out being a sad day for me. I send my sincere condolences to Peggy and Family.

I worked with Craig for 12 years at PPL. He was always steady and unflappable. He never shied away from the "what the h... now" deals. I never had the opportunity to hunt or fish with him, but I shared his love for the outdoors and enjoyed exchanging tales from the woods or on the water. He will be missed.

Craig and I had many adventures when we were growing up. As cousins we spent much time together swimming, fishing, playing games and just hanging out listening to music. I remember one particular time we were playing the card game Spoons and the game became so active that we broke the table we were playing on. I will miss my dear cousin Craig but will always cherish the days together when we would laugh so hard our sides would ache. Mark Palmer

I was 17-years old and working at Sonic in Pearland and sick & tired of lousy tips of course. One day Uncle Craig pulled through for a burger after his golf tournament and gave me a \$50 tip! That made my year! I told him all the time how cool that was and that I loved him.
