# Francisca Limon Almaguer

MAY 11, 1947 - NOV 29, 2025

**F**rancisca Limon Almaguer was born on May 11, 1947, in Victoria, Mexico. Her family later moved to Matamoros, where she spent most of her childhood and young adult life. At the age of 20, she met the love of her life. Together, they moved to the United States in search of a better life and soon became U.S. residents, building a strong foundation for their growing family.

Francisca and Hector raised five children, and she dedicated her life to being a loving and devoted wife and mother. She took pride in creating a warm home, ensuring her family was always cared for, and teaching her children the values of kindness, honesty, respect, and hard work.

After her children left home, she began working at a nursing home for several years, sharing her compassion and gentle nature with those in her care. In 2015, she moved to Florida. The following year she was diagnosed with cancer. Though the journey brought many challenges, Francisca fought with courage, resilience, and unwavering faith. She endured multiple treatments over the years and remained strong through every battle.

On November 29, 2025, at 10:05 a.m., Francisca entered peacefully into the presence of the Lord. She was a devoted wife, a loving mother, a cherished grandmother, and a proud great-grandmother whose legacy will live on through all who loved her.

We know not the day nor the hour or even if we're told it's imminent, it's never easy to accept losing a mother, grandmother, or great grandmother. What I do know is that Francisca fought for so many years but her Faith kept her strong! I fondly remember when Mo and I would visit them in the valley. She'd make these flour tortillas that were the best I've ever had. She was always gracious and made us feel welcome. She'll be missed! I know she's in a better place now. My condolences to my brother Hector, all the great grandchildren, grandchildren and especially my nephews and nieces, Hector Jr., Joe (Memo), Maribel, Veronica, and Enrique. My  goes out to you all!
