Chatting with you everyday made me smile. You made me look at things from a compassionate and new perspective. Your empathy, kindness, trust, and generosity was unparalleled. You made those whom you met, better people. Thank you for your friendship. Until we meet again....

I'm going to miss talking to you so much. You were extremely genuine and kind, you cared so much about those who were important to you. I know you're resting in peace but I wish it wasn't quite so soon. You will be missed. I very much hope your family and loved ones will be okay in time... :(
