Rosa Adelina Castro

MAR 5, 1967 - JAN 8, 2026

It is with heavy hearts that we share the unexpected passing of Rosa Adelina Castro on January 8, 2026. Though her last moments came suddenly, her story is one of strength, faith, and hope.

Born on March 5, 1967 in El Salvador, she was known for her strength, her laughter, and the way she cherished every moment with the people she loved. Throughout her life, she dedicated herself to her family and those who surrounded her, offering kindness, encouragement, and a contagious joy that touched everyone she met.

For two years she battled with Glioblastoma, but her illness did not stop her. She pushed through tired days with determination, walked to the rhythm of music that lifted her spirit, and inspired those around her with her gentle joy and quiet strength. The connections she made during this time were profound, and the people who cared for her will always remember her light, her confidence in taking each step forward, and the way she made every moment meaningful.

Rosa was a woman who loved deeply and loved without holding back, and part of that love came from her faith. She carried God in her heart through every season of her life, praying with gratitude, trusting in His plans, and drawing strength from her devotion. Her faith grounded her, guided her, and continues to shine through the legacy she leaves behind.

Rosa is survived by her husband who walked beside her through every season, her three daughters who will forever carry her love forward, her mother and mother-in-law who loved her deeply, and her family near and far.
