## **Arthur Carl White Jr.**

FEB 4, 1948 - JAN 17, 2026

**A**rthur Carl White, Jr., age 77, passed away on January 17, 2026, in Houston, Texas. Born on February 4, 1948, in Los Angeles, California, Arthur lived a life marked by dedication to his craft, deep faith, and enduring love for his family.

Arthur spent his early years in Kansas and graduated from Russell Springs Consolidated High School in Logan County. He later pursued his passion for mechanics and earned full accreditation as a Master Diesel Mechanic in Houston, Texas. His skill and commitment quickly set him apart—in 1970, he became the youngest diesel mechanic promoted to Foreman at Roadway Express Freight, a global leader in freight transportation. This milestone marked the beginning of a long and respected career in the industry.

Before embarking on his professional journey, Arthur served briefly in the United States Army. Though his time was cut short due to a medical discharge, he carried with him the values of service and resilience throughout his life.

Arthur was a devoted Christian whose faith in Jesus Christ guided him through every chapter of life. His spiritual commitment was evident to all who knew him and remained a cornerstone of his identity.

Beyond work and faith, Arthur found joy in the thrill of automobile racing and the serenity of saltwater fishing. Whether cheering from the stands or casting a line into coastal waters, these passions brought him great happiness and connection to the world around him.

Arthur's legacy lives on through his loving family. He is survived by two daughters: Trina Ford of Denver, Colorado, and Andrea Page of Omaha, Nebraska; seven grandchildren; eleven great-grandchildren; and one great-great-grandchild. He also leaves behind his brother George White (Marilyn Arceneaux) of Houston, Texas; sisters Margaret White of Tucson, Arizona; and Lillian Seaman (Loren Seaman) of Hugoton, Kansas. A host of nieces, nephews, and cousins also mourn his passing.

Arthur was my older cousin who I always looked up to!! He had a smile as big as Texas and was always ready to engage in a conversation! He loved people and he loved cars! He lived life passionately and appreciated each moment. A favorite time was when he was working in Kansas a few years ago and was able to spend some time with me and my family! It was a pleasure to cook for him and break bread together! We spoke regularly, and he always spoke encouragingly! He never hesitated to say "I love you, Cuz!" He will be greatly missed. Mr. Arthur White was truly my friend, brother, and a father figure to me. I have known him as a friend and confidant over 25 years. Whenever I needed advice regarding mechanical issues with my 84 Chevrolet pickup, he was always there to inform me. I will treasure all of the times we talked about the goodness of our Lord and Savior. I used to call him doctor because he had great advice about how to repair vehicles. Rather it was spiritual or natural things that I was going through, he was always there to give me advice to help guide me through any situation. I will reflect on the times that we had lunch together and enjoyed good laughs. Rest in peace my friend. You truly will be missed. Pastor Willie Armster.

Arthur was my friend, big brother ,uncle, advisor, someone I could ask to keep me in his thoughts and prayers. And I know he would do it sincerely. Not to mention someone to look up to. Admire respect and learn from in the trucking industry. I can help but wonder how many people living in Harris County and surrounding counties. That has no idea of his contribution to the building of their community. It's my honor to always look up to you and call you my big brother. Much love and respect always my dear friend and brother in Christ. I will always remember you with the Fond-is memories Arthur. And of course some laughter in the way I remember you talked about us young colored boys. Meaning myself couldn't get it right 😊.

He is my big brother. When we wandered the Kansas fields, he was always out front. Legs much longer. Moving faster. Getting there first. But...when I got to the next gate...the next fence...he'd be there. Waiting. Holding the gate open or the barb wire fence apart so I could safely get through. So. Going out ahead again, Big Brother? I'm sure years from now when I get there, you'll be waiting, doing your best to help me through the gate. Rest in power Big Brother. Margaret "Mickie" White
