Jacqueline "Jackie" Patton Bloom

MAY 8, 1989 - JAN 28, 2026

Jacqueline “Jackie” Patton Bloom (née Smith) passed away on January 28, 2026, at the age of 36.

Jackie was a loving daughter, sister, niece, cousin, aunt, and friend whose heart was rooted in care for others. She was everyone’s biggest cheerleader always encouraging, always showing up, and always believing in the people she loved. Jackie had a true servant’s heart, guided by her deep faith, and gave freely of her time, compassion, and energy.

Jackie graduated from Deer Park High School in 2007, where she was a member of the Deer Escorts drill team. She then attended the University of North Texas where she joined a sorority and made many lasting friendships, before graduating with a Bachelor of Science in Health Promotion. Jackie found purpose in helping others, spending time volunteering and serving her community. She also enjoyed substitute teaching, where her warmth and kindness left a meaningful impression on the students she worked with. A devoted animal lover, Jackie had a special compassion for animals and found great joy in caring and advocating for them.

She is survived by her parents, Marian Jackson Smith and David Smith; her sisters, Courtney Murphy (Brian Murphy), Shannon McCain (Matt McCain), and Sarah Smith (James Edson); her boyfriend, Eric Robinson; and her beloved niece and nephews, Brynlee Murphy, Caysen Murphy, and Mason McCain. Jackie is also survived by many loving aunts, uncles, and cousins.

A memorial service will be held for family and close friends on February 15, 2026 at 2:00 p.m. at South Park Funeral Home. In lieu of flowers, please consider donating in Jackie’s memory to Bay Area Pet Adoptions/SPCA or Mental Health America of Greater Houston.

The family is deeply grateful for the outpouring of love and support and respectfully asks for privacy as they navigate this profound loss. Jackie will be dearly missed and forever held in the hearts of those who loved her.

I'm not Jackie in Dallas actually McKinney she was working with me at Massage Envy and I became her therapist and friend. She was going through a lot of emotional problems and I was there for her it's so sad to hear that she had passed. We really had a good time together those in 9 months and then I found out her cousin was my new boss at Massage Envy in kemah when I moved back down to Houston. I am deeply sadden of her passing as she crossed my mind today and I looked up her Facebook and couldn't find her so I looked up her cousin Savannah and saw this post and was in shock. Bless you. Thank you for being there for me cuz I was for you.

I was friends with Dave. We worked together at Discount Tire and I met Marian shortly after that. Then I watched the kids grow up from little ones to growing into beautiful young ladies. Jackie was always a smart, witty, and sweet girl. It's hard to believe that she is gone. She was such a blessing. She will be missed by all that knew her.

Jackie was my Big Sister at North Texas. I attended for less than a year, but we had an incredible bond from the moment we met. She lived in the sorority house, and her roommate was hardly ever there, so I would spend the night there almost every night. She taught me how to cook the crispiest green beans and we would "eat them like French fries." As the first semester came to an end, she began coming up with a way I could officially move into the house to be her roommate. She was the sweetest soul and acted as if we had known each other our whole lives. At formal, we were voted "Best Big/Lil" because we were just so perfect for each other. When I decided to move back home, I didn't even tell her until it was final because I knew she was the only one who could talk me into staying. We would talk randomly throughout the years and she would always start her texts with "Hey Little!!!" She will be greatly missed.
