We were so very sad to hear about Laura's passing. Our deepest condolences to your whole family. Our sincere apologies we were not able make it in person today to help celebrate all that she was, I wish we were there to give you all a big hug. Laura was always so welcoming to our whole family, even after our daughter Lacy aged out and went off to college. I think back to all the times we spent together as family during the softball travels. She always had a smile on her face and such an infectious laugh! She will truly be missed by us all. Much Love, Gerald and Julie Womack
