## **Bang Ba Chu**

FEB 10, 1935 - APR 11, 2026

**D**r. Bang Ba Chu, 92, of Friendswood, Texas, passed away on April 11, 2026.

Born on October 9, 1934, in Bac Giang Province near Hanoi, his ancestral land, Dr. Chu came of age in a country marked by upheaval and rupture. He earned his medical degree from the Faculté de Médecine de Saigon (1954–1960) and served as a captain in the medic unit of the South Vietnam Army in Gia Lai Province from 1960 to 1963.

On December 12, 1963, he married Anh Nguyet Dao, who was 22 at the time. Together, they shared 63 years of marriage, building a life grounded in devotion and family. They were each other's world.

His life was shaped by loss and beginning again. After the 1954 Geneva Accords, his family left their home in Hanoi and started over in the South. In 1975, after the fall of Saigon, he lost everything once more. He rebuilt his life in the United States with quiet determination.

He continued his training at the University of Texas Medical Branch in Galveston. In 1980, he opened one of the first Vietnamese-American clinics in the region, dedicating his work to immigrants and newly arrived families. He was known for his generosity, often caring for those who could not afford to pay.

He loved to travel, to tinker with cars, and to spend time with his family. He is remembered for his kindness, courage, and steady presence through hardship.

He is survived by his beloved wife, Anh Nguyet Dao; his eight children and their partners; twenty-three grandchildren; two great-grandchildren; his sister; and many cousins and relatives across his extended family.
