Shirley Morales is an amazing woman! She loved everything and everybody, especially her kids, Jr (Stephanie), Daniel, Melissa (Larry), Rosie and Jay (Audrey) She loved being a grandma & a great grandmother! She loved adult beverages, Cruises and her penny slot machines! But most of all she loved the love of her life, her husband of 56 years, Victor aka Pops, She will always be loved and missed forever.

One of my favorite memories of Grandma Shirley was when she rode with me back from our vacation by the river. I was listening to an abstract Radiohead song, and she got quiet in thought, staring out the window. When the song finished, she turned to me and said, "That was the most beautiful song. Can we listen to it again?" GG Shirley found the beauty in everything she encountered. Love you. Rest in Beauty!

We have so many memories from just playing dominoes at the house, camping trips, Airbnbs, New Orleans, Couchatta, cruises, etc.... It was always us 4 (Maw, Pops, Jr and I) But if I had to pick one it would be the cruise we took when Maw & Pop were chosen to play Love & Marriage ❤️ They asked Shirley if you were to pass away, and Pop hooked up with one of your family members would you come back and haunt them? Pop misunderstood the question obviously and answered "James" lmao! The entire audience bursted out laughing 🤣 (James was her 1st husband) The other 2 couples went with the same answer so they wouldn't have to name their spouse's family member and get in trouble 🤔🤔🤔 For the rest of the cruise everyone would ask Pops "Who's James" and we've laughed about it ever since 💔 We are so going to miss our foursome get away trips!
